

The Huntsville Dream Center is a 501c3 non-profit organization dedicated to serving the community of Huntsville and Madison County and even the region. The HDC is not a building but a "bridge of hope", networking resources from all across the city to truly impact the lives of those who are in need and to show them the love of Jesus. One of the greatest resources the HDC has to offer is through Manna House, an established community presence since 2004. It falls under the umbrella of HDC along with other programs. Not only do we want to help provide for the physical needs of our community but we also desire for them to receive support to grow mentally, emotionally and spiritually.

HOW TO HELP

SERVE

HDC is always in need of volunteers to serve with the Manna House and other offered programs. You can drop by Manna House on distribution nights to help or go to www.huntsvilledreamcenter.org for more opportunities to serve.

GIVE

HDC is supported by individuals, families, churches, businesses and organizations all across the city. If you would like to support HDC financially you can give through cmitchell@huntsvilledreamcenter.org. If you have a smart phone please consider downloading the Push Pay app. It will allow you to give to the Huntsville Dream Center quickly and securely. More information can be found at www.pushpay.com.

PRAY

More than anything we want to continually reflect the heart of God to our community. Please pray with us for the individuals and families in our community that are hurting and in need of Hope. Please also pray that we will continue to have the resources needed to provide the needs that we come across daily.

Thank you for our support!
